

Button up your overcoat When the wind is free

Take good care of yourself, you belong to me!

Eat an apple every day; get to bed by three.

Take good care of yourself, you belong to me!

Be careful crossing streets (Oo-oo)

Don't eat meats (Oo-oo) Cut out sweets (Oo-oo)

You'll get a pain and ruin your tum-tum!

Keep away from bootleg hooch when you're on a spree

Take good care of yourself, you belong to me!

Button up your overcoat When the wind is free

Take good care of yourself, you belong to me!

Wear your flannel underwear when you climb a tree

Take good care of yourself, you belong to me!

Don't sit on hornets tails (Oo-oo)

Or on nails (Oo-oo) or third rails (Oo-oo)

You'll get a pain and ruin your tum-tum!

Don't go out with college boys when you're on a spree

Take good care of yourself, you belong to me!

There's a fruit store on our street It's run by a Greek
And he keeps good things to eat But you should hear him speak
When you ask him anything, Never answers no
He just yeses you to death and as he takes your dough he tells you

YES! We have no bananas.

We have no bananas today

We've string beans and HONions, caBAHges and
scallions and all kinds of fruit and say

We have an old fashioned toMAHto,

Long island poTAHto

But YES! We have no bananas

We have no bananas today

YES! We have no bananas.

We have no bananas today

This song isn't pretty, but still it's a ditty

That grows on you day by day.

And you can all do something for us.

Just join in the chorus. (*All together!*)

But YES! We have no bananas

We have no bananas today

Why are there so many songs about rainbows
And what's on the other side?
Rainbows are visions but only illusions,
Rainbows have nothing to hide.
So we've been told and some choose to believe it.
I know they're wrong; wait and see.
Some day we'll find it, the rainbow connection.
The lovers, the dreamers, and me.

Who said that every wish would be heard and answered
When wished on the morning star?
Somebody thought of that, and someone believed it;
Look what it's done so far.
What's so amazing that keeps us stargazing,
And what do we think we might see?
Some day we'll find it, the rainbow connection.
The lovers, the dreamers, and me.
All of us under it's spell; we know that it's probably magic.

Have you been half asleep and have you heard voices?
I've heard them calling my name.
Is this the sweet sound that calls the young sailors?
The voice might be one and the same.
I've heard it too many times to ignore it.
It's something that I'm s'posed to be.
Some day we'll find it, the rainbow connection.
The lovers, the dreamers, and me.

We'll meet again,
don't know where, don't know when
But I know we'll meet again some sunny day.
Keep smiling through
just like you always do
'Til the blue skies drive the dark clouds far away.

So will you please say hello
to the folks that I know
Tell them I won't be long.
They'll be happy to know that as you saw me go
I was singing this song.

We'll meet again,
don't know where, don't know when
But I know we'll meet again some sunny day.

(repeat all)

Underneath the lantern by the barrack gate,
Darling I remember the way you used to wait,
'Twas there that you whispered tenderly
That you loved me, you'd always be,

My Lili of the lamplight, my own Lili Marlene

Time would come for roll call, time for us to part,
Darling I'd caress you and press you to my heart,
And there 'neath that far off lantern light,
I'd hold you tight, we'd kiss "Goodnight"

My Lili of the lamplight, my own Lili Marlene

Orders came for sailing somewhere over there,
All confined to barracks was more than I could bear,
I knew you were waiting in the street,
I heard your feet but could not meet,

My Lili of the lamplight, my own Lili Marlene

Resting in a billet just behind the line
Even tho' we're parted you lips are close to mine,
You wait where that lantern softly gleams,
Your sweet face seems to haunt my dreams

My Lili of the lamplight, my own Lili Marlene

Edelweiss, edelweiss,
Every morning you greet me
Small and white, clean and bright
You look happy to meet me.

Blossom of snow may you bloom and grow
Bloom and grow forever
Edelweiss, edelweiss
Bless my homeland forever.

Oh, we ain't got a barrel of money
Maybe we're ragged and funny
But we'll travel along, singin' a song
Side by side

Don't know what's comin' tomorrow
Maybe it's trouble and sorrow
But we'll travel the road, sharin' our load
Side by side

Through all kinds of weather, What if the sky should fall
Just as long as we're together, It doesn't matter at all
When they've all had their quarrels and parted
We'll be the same as we started
Just travelin' along, singin' our song
Side by side

See that sun in the mornin', Peekin' over the hill
I'll bet you're sure, it always has
And sure it always will
That's how I feel about someone
How somebody feels about me
We're sure we love each other
that's the way we'll always be

Life has just begun, Jack has found his Jill,
Don't know what you've done, but I'm all a thrill,
How can words express your divine appeal?
You can never guess all the love I feel.

From now on lady I insist
for me no other girls exist.

**'S Wonderful, 'S Marvelous,
You should care - for me**

'S awful Nice, 'S paradise

'S what I love - to see

You've made my life so glamorous
You can't blame me for feeling amorous

**Oh! 'S Wonderful, 'S Marvelous,
That you should care for me.**

**'S Wonderful, 'S Marvelous,
You should care - for me**

'S awful Nice, 'S paradise

'S what I love - to see

My dear, it's four leaf clover time
From now on my heart's working overtime

**Oh! 'S Wonderful, 'S Marvelous,
That you should care for me.**

How much do I love you? I'll tell you no lie,
How deep is the ocean, how high is the sky?
How many times a day do I think of you?
How many roses are sprinkled with dew?

How far would I travel to be where you are?
How far is the journey from here to a star?
And if I ever lost you, how much would I cry?
How deep is the ocean, how high is the sky?

I'd like to build the world a home and furnish it with love
Grow apple trees and honey bees
and snow white turtle doves.

I'd like to teach the world to sing in perfect harmony,
I'd like to hold it in my arms and keep it company.

I'd like to see the world for once all standing hand in hand,
And hear them echo through the hills
for peace throughout the land.

That's the song I hear

Let the world sing today.

***A song of peace that echoes on
and never goes away.***

Put your hand in my hand. Let's begin today.

Put your hand in my hand, Help me find the way.

I'd like to teach the world to sing in perfect harmony,
I'd like to hold it in my arms and keep it company.
I'd like to see the world for once all standing hand in hand,
And hear the echo through the hills
for peace throughout the land.

I know a ditty, nutty as a fruitcake,
Goofy as a goon and silly as a loon,
Some call it pretty, others call it crazy
But they all sing this tune:

Mairzy doats and dozy doats
and liddle lamzy divey
A kiddley divey too, wouldn't you?
Yes! Mairzy doats and dozy doats
and liddle lamzy divey
A kiddley divey too, wouldn't you?

If the words sound queer and funny to your ear,
a little bit jumbled and jivey

Sing "Mares eat oats and does eat oats
and little lambs eat ivy"

Oh! Mairzy doats and dozy doats
and liddle lamzy divey

A kiddley divey too, wouldn't you-oo?

A kiddley divey too, wouldn't you?

Good Morning, Starshine, the earth says hello

You twinkle above us, we twinkle below.

Good morning, starshine, you lead us along,

My love and me, as we sing

Our early morning singing song.

Gliddy glup gloopy, nibby nabby noopy, la la la lo lo.

Sabba sibby sabba, nooby abba nabba, lee lee lo lo.

Tooby ooby walla, nooby abba nabba,

Early morning singing song.

Singing a song, humming a song, singing a song.

Loving a song, laughing a song, singing the song.

Sing the song, song the sing,

song song song, sing, sing sing sing, song.

song song song, sing, sing sing sing, song.

Early morning singing song.

Desmond has a barrow in the market place,
Molly is the singer in a band.

Desmond says to Molly, "Girl, I like you face"
And Molly says this as she takes him by the hand:

**Ob la di, Ob la da, life goes on, bra,
La la how their life goes on. (x2)**

Desmond takes a trolley to the jeweler's store,
Buys a twenty carat golden ring.
Takes it back to Molly waiting at the door,
And as he gives it to her she begins to sing: **Ob la di,**

In a couple of years, they have built
a home sweet home.

With a couple of kids running in the yard
Of Desmond and Molly Jones.

Happy every after in the market place,
Desmond lets the children lend a hand.

Molly stays at home and does her pretty face, And in
the evening she still sings it with the band. **Ob la di,**

Happy every after in the market place,
Molly lets the children lend a hand.

Desmond stays at home and does his pretty face, And
in the evening she's a singer with the band. **Ob la di,
And if you want some fun, take ob-la-di-bla-da.**

We shall overcome, we shall overcome,
We shall overcome some day.
Oh, deep in my heart I do believe
We shall overcome some day.

We are not afraid, we are not afraid,
We are not afraid today.
Oh, deep in my heart I do believe
We shall overcome some day.

We shall stand together, we shall stand together,
We shall stand together now.
Oh, deep in my heart I do believe
We shall overcome some day.

We shall live in peace, we shall live in peace,
We shall live in peace some day.
Oh, deep in my heart I do believe
We shall overcome some day.

Come join with me in the Circle of Song

The young and the old, the weak and the strong,
Singing with one voice, tho we may speak diff'rent tongues
In the Circle of Song, we are one.

Some sing of the past, of battles lost and won,
Some sing of their dreams, of a new day in the sun,
Some sing out for love, and some just sing for fun,
In the Circle of Song, we are one. **Come join...**

Some sing of this land, the country of their birth,
Some sing of this land, of the beauty of the earth,
Some sing of this land, for all that it is worth,
In the Circle of Song, we are one.

Viens avec moi dans ce cercle d'amis,
Où jeunes et moins jeunes, où grands et petits,
Chantent d'une seule voix à travers leurs différences,
Dans ce cercle d'amis, tous unis.

Each of us must leave this place and go back to our home,
Each of us must walk a path that must be walked alone,
And each of us will bear the fruit of the seeds that we have
sown, In the Circle of Song, we are one. **Come join...**
