

It's a lovely day today.

So whatever you've got to do,

You've got a lovely day to do it in, that's true.

And I hope whatever you've got to do

Is something that can be done by two.

For I'd really like to stay.

It's a lovely day today.

And whatever you've got to do,

I'd be so happy to be doing it with you.

But if you've got something that must be done,

And it can only be done by one,

There is nothing more to say

Except it's a lovely day for saying

It's a lovely day.

When the Red Red Robin comes
Bob Bob Bobbin' along, along
There'll be no more sobbin' when
he starts throbbin' his own, sweet song
Wake up, wake up you sleepyhead,
Get up, Get up get out of bed,
Cheer up, cheer up the sun is red,
Live, love, laugh and be happy.
What if I've been blue, now I'm walkin'
Through fields of flow'rs
Rain may glisten but still I listen for hours and hours,
I'm just a kid again, doin' what I did again,
Singin' a song
When the red red robin comes bob bob bobbin' along.

He rocks in the treetop, all the day long
Hoppin' and a boppin' and a singin' his song
All the little birds on Jaybird street,
Love to hear the robin go "tweet, tweet tweet"

Rockin' robin (tweet, tweet tweet)
Rockin' robin (tweet, tweet tweet)
Blow, Rockin' robin 'cause we're really gonna rock
tonight!

Ev'ry little swallow, ev'ry chick-a-dee,
Ev'ry little bird in the tall oak tree
The wise old owl, the big black crow,
Flap their wings singin' "Go bird, go"

A pretty little raven at the bird band stand,
Taught him how to do the bop and it was grand.
They started goin' steady and bless my soul,
He out-bopped the buzzard and the o-ri-ole.

Raindrops Keep Fallin' On My Head

315

Rain - drops keep fall - ing on my head,
and just like the guy whose feet are too big for his bed,
Nothin' seems to fit.

Those rain - drops are fall - in' on my head,
They keep fall - in''

so I just did me some talk - in' to the sun.

And I said I did - n't like the way he got things done.

Sleep- in' on the job.

Those rain - drops are fall- in' on my head.

They keep fall- in' !

But there's one thing I know

The blues_ they send_ to meet_ me
won't de - feat_ me.

It won't be long _____ till hap - pi - ness_____
steps up_ to greet me.._____

Rain - drops keep fall-in' on my head

but that does - n't mean my eyes will soon be turnin' red.

Cry-in's not for me 'cause

I'm nev - er gon-na stop the rain by com-plain-in',

Be -cause I'm free

noth - in's wor - ry - in' me._____

How much do I love you? I'll tell you no lie,
How deep is the ocean, how high is the sky?
How many times a day do I think of you?
How many roses are sprinkled with dew?

How far would I travel to be where you are?
How far is the journey from here to a star?
And if I ever lost you, how much would I cry?
How deep is the ocean, how high is the sky?

When I was just a little child
I asked my mother, what will I be
Will I be pretty? Will I be rich?
Here's what she said to me

Qué será, será

Whatever will be, will be

The future's not ours to see

Qué será, será

What will be, will be

When I grew up and fell in love
I asked my sweetheart what lies ahead?
Will we have rainbows day after day?
Here's what my sweetheart said

Now I have children of my own
They ask their mother, what will I be
Will I be handsome? Will I be rich?
I tell them tenderly

**Catch a falling star and put it in your pocket
Never let it fade away**

**Catch a falling star and put it in your pocket
Save it for a rainy day**

For love may come and tap you on the shoulder
Some star-less night

Just in case you feel you wanna hold 'em
You'll have a pocketful of starlight

Catch a falling star and *

For when your troubles start 'n multiplyin'
And they just might

It's easy to forget them without tryin'
With just a pocketful of starlight

Catch a falling star and *

**Save it for a rainy Day, Save it for a rainy
Day**

Oh, we ain't got a barrel of money
Maybe we're ragged and funny
But we'll travel along, singin' a song
Side by side

Don't know what's comin' tomorrow
Maybe it's trouble and sorrow
But we'll travel the road, sharin' our load
Side by side

Through all kinds of weather, What if the sky should fall
Just as long as we're together, It doesn't matter at all
When they've all had their quarrels and parted
We'll be the same as we started
Just travelin' along, singin' our song
Side by side

See that sun in the mornin', Peekin' over the hill
I'll bet you're sure, it always has
And sure it always will
That's how I feel about someone
How somebody feels about me
We're sure we love each other
that's the way we'll always be

I was blue just as blue as I could be.
Ev'ry day was a cloudy day for me.
Then good luck came a knocking at my door.
Skies were gray but they're not gray any more.

**Blue skies – smilin' at me.
Nothin' but blue skies – do I see.
Bluebirds – singin' a song
Nothin' but bluebirds – all day long.
Never saw the sun – shinin' so bright
Never saw things – goin' so right
Noticin' the days – hurryin' by
When you're in love – my how they fly
Blue days – all of them gone.
Nothin' but blue skies – from now on.**

I'd like to build the world a home and furnish it with love
Grow apple trees and honey bees
and snow white turtle doves.

I'd like to teach the world to sing in perfect harmony,
I'd like to hold it in my arms and keep it company.

I'd like to see the world for once all standing hand in hand,
And hear them echo through the hills
for peace throughout the land.

That's the song I hear

Let the world sing today.

***A song of peace that echoes on
and never goes away.***

Put your hand in my hand. Let's begin today.

Put your hand in my hand, Help me find the way.

I'd like to teach the world to sing in perfect harmony,
I'd like to hold it in my arms and keep it company.
I'd like to see the world for once all standing hand in hand,
And hear the echo through the hills
for peace throughout the land.

I'll walk in the rain by your side;
I'll cling to the warmth of your ^{tiny} hand.
I'll do anything to help you understand;
I'll love you more than anybody can.
And the wind will whisper your name to me
Little birds will sing along in time
The leaves will bow down when you walk by
And morning bells will chime.

I'll be there when you're feeling down
To kiss away the tears if you cry.
I'll share with you all the happiness I've found,
A reflection of the love in your eyes.
And I'll sing you the songs of the rainbow,
The whisper of the joy that is mine.
The leaves will bow down when you walk by
And morning bells will chime.

When marimba rhythms start to play,
dance with me, make me sway
Like the lazy ocean hugs the shore,
Hold me close, sway me more.
Like a flower bending in the breeze,
Bend with me, sway with ease.
When we dance you have a way with me,
Stay with me, sway with me.

Other dancers may be on the floor
Dear but my eyes will see only you.
Only you have that magic technique
When we sway I grow weak

I can hear the sound of violins,
Long before it begins.
Make me thrill as only you know how,
Sway me smooth, sway me now.

Some trails are happy ones,

Others are blue.

It's the way you ride the trail that counts,

Here's a happy one for you.

Happy trails to you,

Until we meet again.

Happy trails to you,

Keep smiling until then.

Who cares about the clouds when we're together?

Just sing a song, and bring the sunny weather.

Happy trails to you,

'till we meet again.
