

It's a lovely day today.

So whatever you've got to do,

You've got a lovely day to do it in, that's true.

And I hope whatever you've got to do

Is something that can be done by two.

For I'd really like to stay.

It's a lovely day today.

And whatever you've got to do,

I'd be so happy to be doing it with you.

But if you've got something that must be done,

And it can only be done by one,

There is nothing more to say

Except it's a lovely day for saying

It's a lovely day.

You've Gotta Have Heart!

You've gotta have heart!
All you really need is heart
When the odds are saying you'll never win
That's when the grin should start.

You've gotta have hope
Mustn't sit around and mope
Nothing's half as bad as it may appear
Wait'll next year and hope.

When your luck is batting zero
Get your chin up off the floor
Mister, you can be a hero
You can open any door
There's nothing to it but to do it

You've gotta have heart
Miles and miles and miles of heart
Oh, it's fine to be a genius of course
But keep that old horse before the cart
First you gotta have heart

I'd like to build the world a home and furnish it with love
Grow apple trees and honey bees
and snow white turtle doves.

I'd like to teach the world to sing in perfect harmony,
I'd like to hold it in my arms and keep it company.

I'd like to see the world for once all standing hand in hand,
And hear them echo through the hills
for peace throughout the land.

That's the song I hear

Let the world sing today.

***A song of peace that echoes on
and never goes away.***

Put your hand in my hand. Let's begin today.

Put your hand in my hand, Help me find the way.

I'd like to teach the world to sing in perfect harmony,
I'd like to hold it in my arms and keep it company.
I'd like to see the world for once all standing hand in hand,
And hear the echo through the hills
for peace throughout the land.

In Flanders fields— the poppies blow
Between the cro—sses, row on row,
That mark our place; and in the sky
The larks still bra—vely singing, fly
Scarce heard amid the guns below.

We are the Dead. Short days ago
We lived, felt dawn, saw sunset glow,
Loved and were loved, and now we lie,
In Flanders fields, In Flanders fields.

Take up our qua—rrel with the foe:
To you from fai—ling hands we throw the torch;
Be— yours— to hold it high.
If ye break faith— with us who die
We shall not sleep— though poppies grow
In Flanders fields. In Flanders fields.

Edelweiss, edelweiss,
Every morning you greet me
Small and white, clean and bright
You look happy to meet me.

Blossom of snow may you bloom and grow
Bloom and grow forever
Edelweiss, edelweiss
Bless my homeland forever.

We shall overcome, we shall overcome,
We shall overcome some day.
Oh, deep in my heart I do believe
We shall overcome some day.

We are not afraid, we are not afraid,
We are not afraid today.
Oh, deep in my heart I do believe
We shall overcome some day.

We shall stand together, we shall stand together,
We shall stand together now.
Oh, deep in my heart I do believe
We shall overcome some day.

We shall live in peace, we shall live in peace,
We shall live in peace some day.
Oh, deep in my heart I do believe
We shall overcome some day.

When you're alone and life is making you lonely

You can always go Downtown

When you've got worries all the noise and the hurry

Seems to help, I know Downtown

Just listen to the music of the traffic ⁱⁿ of the city

Linger on the sidewalk where the neon signs are pretty

How can you lose?

The lights are much brighter there,

You can forget all your troubles, forget all your cares

So go Downtown,

things'll be great when you're Downtown,

No finer place, for sure, Downtown,

Everything's waiting for you.

Downtown.

Don't hang around and let your problems surround you,

There are movie shows Downtown.

Maybe you know some little places to go to

Where they never close. Downtown.

Just listen to the rhythm of a gentle Bossa Nova.

You'll be dancing with 'em too before the night is over,

Happy again.

Magic moments, memories we've been sharing
Magic moments, when two hearts are carin'

I'll never forget, the moment we kissed,
The night of the hay ride,
The way that we hugged, to try to keep warm,
While takin' a sleigh ride,
Magic moments, memories we've been sharin'
Magic moments, when two hearts are carin'
Time can't erase – the me–mory of –
These magic moments filled with love

The telephone call, that tied up the line,
For hours and hours
The Saturday dance, I got up the nerve,
To send you some flowers
Magic moments, memories we've been sharin'
Magic moments, when two hearts are carin'
Time can't erase – the me–mory of –
These magic moments filled with love

The way that we cheered whenever our team
Was scoring a touchdown
The time that the floor fell out of my car
When I put the clutch down
The penny arcade, the games that we played
The fun and the prizes
The Halloween hop when everyone came
In funny disguises

Magic moments filled with love

When marimba rhythms start to play,
dance with me, make me sway
Like the lazy ocean hugs the shore,
Hold me close, sway me more.
Like a flower bending in the breeze,
Bend with me, sway with ease.
When we dance you have a way with me,
Stay with me, sway with me.

Other dancers may be on the floor
Dear but my eyes will see only you.
Only you have that magic technique
When we sway I grow weak

I can hear the sound of violins,
Long before it begins.
Make me thrill as only you know how,
Sway me smooth, sway me now.

How much do I love you? I'll tell you no lie,
How deep is the ocean, how high is the sky?
How many times a day do I think of you?
How many roses are sprinkled with dew?

How far would I travel to be where you are?
How far is the journey from here to a star?
And if I ever lost you, how much would I cry?
How deep is the ocean, how high is the sky?

All day I've faced a barren waste without the taste of
water, cool – water –

Old Dan and I with throats burnt dry and souls that cry for water,
cool – clear – water –

**Keep a movin' Dan, don't you listen to him Dan, He's a devil
not a man and he spreads the burning sand with water – –**

**Dan can you see that big green tree where the water's running free
and it's waiting there for you and me?**

*(sopranos add "water" at each *)*

The nights are cool and I'm a fool, each star's a pool of
water, cool – water – **(water)*

But with the dawn I'll wake and yawn and ca-rry on– to
water –*– cool –*– clear –*– water – – –*–

***Keep a movin' Dan, don't you *listen to him Dan, He's a *devil not a
man and he *spreads the burning sand with *water – –*–**

***Dan can you see that *big green tree where the *water's running free
and it's *waiting there for you and *me? (cool, clear**

The *shadows sway and seem to say "Tonight we pray for
water", cool – water – **(water)*

And way up there he'll hear our pray'r and show– us where–
there's water –*– cool –*– clear –*– water – – –*–

***Chorus (cool, clear**

Dan's *feet are sore, he's yearning for just one thing more than
water, cool – water –*–

Like me I guess he'd like to rest where the–re's no que–st for water –
– cool –– clear –*– water – –*–

***Chorus (cool, clear, water)**

This is just the kind of day that you dream about
When you open up your mouth a song pops out.
